

Lesson Planner for Paraprofessionals

Level _____ Lesson _____

1. Objective:

2. Materials:

3. What to look for in the lesson video:

- Math-U-See Strategy:

- Vocabulary:

- Notes about Math-U-See Lesson:

At least once per class, watch each student work through one complete problem (Teach Back):

1. Build

“Show me with the manipulatives.”

2. Write

“Write the problem and the answer.”

3. Say

“Explain the problem and how you got your answer.”
